Performance Award and Innovation Award

Juliette Zaccour

Formerly: Faculty of Information,
University of Toronto
Currently: Oxford Internet Institute,
University of Oxford

Cynthia Yip

Faculty of Information,
University of Toronto

Received **\$8,500** in Prize Money

The French Trot Horse Racing: Forecasting Competition, launched by CANSSI Ontario in 2023, invited undergraduates, graduate students and postdoctoral fellows, to showcase their skills in machine learning and statistics. Students were tasked to build the best models to predict accurate winner forecasts for French Trot and explore innovative concepts.
